### CHARITY BENEFIT FOR THE PETER ROSELLI FUND

The **Friends of Peter Roselli** will be hosting a charity benefit to help raise funds for a South River Police Officer who has fallen ill.

The day before Thanksgiving, Officer Roselli was diagnosed with a Glioma Tumor of the brain. The illness required Officer Roselli to have immediate surgery on December 2, 2011 to remove the cancer. Officer Roselli has a long road to a full recovery and his economic situation has begun to deteriorate now that he is not receiving a pay check.

Officer Peter Roselli is an 8 year veteran of the South River Police Department and is a father of two young children, ages 1 and 4. He is the majority provider for his household and without being able to work or collect disability, it is starting to take a toll monetarily.
